1994 Honda Civic del Sol Overview The 1994 Honda Civic del Sol introduces a number of improvements from the previous year. A more powerful engine gives the car more punch, while a passenger-side airbag and a better braking system provide more safety. This new model also handles better due to a stronger suspension system and larger wheels.

1994 Honda Civic del Sol - Cute, economical, reliable and unique The first thing that attracted me to it was that it was a Honda - a company with a good reputation, especially in the '90s. The second, the rated MPG was on the high side, which I was very interested in. But I found even more things to love and very few to hate.
