Each workbook balances the worksheet skills and lesson concepts including fun examples to capture a readers interest.

'Advanced Placement Classroom: Macbeth' is a teacher-friendly resource for using one of Shakespeare's greatest tragedies in the Advanced Placement classroom. Students will examine the play critically and analytically to understand aspects such as the nature of villainy and the history of the events that inspired the play. An extended section provides teachers with information on societal implications that impacted the play's creation, including witchcraft and The Gunpowder Plot. Teachers also will be able to implement exciting hands-on projects such as putting Macbeth on trial for the murder of Banquo and developing a soundtrack for the play.

Classic Books Library presents this brand new edition of " The Federalist Papers ", a collection of separate essays and articles compiled in 1788 by Alexander Hamilton. Following the United States Declaration of Independence in 1776, the governing doctrines and policies of the States lacked cohesion. " The Federalist ", as it was previously known, was constructed by American statesman Alexander Hamilton, and was intended to catalyse the ratification of the United States Constitution. Hamilton recruited fellow statesmen James Madison Jr., and John Jay to write papers for the compendium, and the three are known as some of the Founding Fathers of the United States. Alexander Hamilton (c. 1755 – 1804) was an American lawyer, journalist and highly influential government official. He also served as a Senior Officer in the Army between 1799-1800 and founded the Federalist Party, the system that governed the nation ' s finances. His contributions to the Constitution and leadership made a significant and lasting impact on the early development of the nation of the United States.

WHAT DOES OUR FUTURE HOLD? In these uncertain times, this is the question on many South Africans' lips. Will we become more prosperous and less divided as a nation or remain hugely unequal and generally poor? Will the ANC split or eventually be forced into an alliance with the EFF after 2019? Could the DA rule the country after the 2024 elections? In Fate of the Nation Jakkie Cilliers develops three scenarios for our immediate future and beyond: Bafana Bafana, Nation Divided and Mandela Magic. Cilliers says the ANC is currently paralysed by the power struggle between what he calls the Traditionalists and the Reformers. It is this power struggle that has led to the inept leadership, policy confusion and poor service delivery that has plagued the country in recent years. Key to which scenario could become our reality is who will be elected to the ANC's top leadership at the party's national conference in December 2017. Whichever group wins there will determine what our future looks like. This is a book for all concerned South Africans.

Getting Unstuck People who are trying to solve tough economic, social, and environmental problems often find themselves frustratingly stuck. They can ' t solve their problems in their current context, which is too unstable or unfair or unsustainable. They can ' t transform this context on their own—it ' s too complex to be grasped or shifted by any one person or organization or sector. And the people whose cooperation they need don ' t understand or agree with or trust them or each other. Transformative scenario planning is a powerful new methodology for dealing with these challenges. It enables us to transform ourselves and our relationships and thereby the systems of which we are a part. At a time when divisions within and among societies are producing so many people to get stuck and to suffer, it offers hope—and a proven approach—for moving forward together.

"One of the chosen few: an enduring contribution to democratic thought."—Bruce Ackerman, Sterling Professor of Law and Political Science, Yale University

Collected here in one affordable volume are the most important documents of the United States of America: The Constitution of the United States of America, with the Bill of Rights and all of the Amendments; The Declaration of Independence; and the Articles of Confederation.
