songs of all time. This is not traditional sheet music, it's Piano Tab; a color coded, easy interpretation of piano music that requires little training. This book covers the whole song with 134 measures and chords. This method of piano tab is particularly helpful for piano beginners, and for those who want to learn new songs every once in a while. Someone with very little music reading ability could figure it out pretty quickly. Play Piano by Letters is a method of learning featuring unique color-coded illustrations of sheet music. The most remarkable feature about this method is that it converts standard sheet music and uses letters instead of note symbols, so those who want to play the piano can learn in a much easier and more visual way. If you're a visual learner, intimidated with the complexities of reading standard piano
