Cabral Introduction To
Industrial Organization

File Type PDF Cabral Introduction To Industrial

This book provides an issue-driven introduction to industrial organization. Over the past twenty years, the study of industrial organization-the analysis of imperfectly competitive markets-has grown from a niche area of microeconomics to a key component of economics and of related disciplines such as finance, strategy, and marketing.

Introduction to Industrial Organization - Luís M. B ...
Just when you thought there was no need for another Industrial Organization textbook, L. Cabral has written a book so breathtakingly lucid that it may stand as the definitive introductory textbook for a generation. The author adeptly combines classic industrial organization theory with the latest advances in research and modern examples.
