 The Case 530 Construction King was based on the Case model 530 tractor. It was available as a bare tractor, loader tractor, or with loader and backhoe. The tractor chassis was built in Racine while the loader and backhoe were built in Burlington. Production: Manufacturer: J.I. Case: Factory: Racine, Wisconsin, USA : Burlington, Iowa, USA: Original price (USD): Open operator station. J.I. Case ...

Restoration is one thing. Correct restoration is quite another! This extensively researched, beautifully illustrated book describes in detail the correct paint and decals for your Letter Series or McCormick-Deering tractor. Filled with factory drawings indicating decal placement, instructions for factory paint and finish of individual parts, and more for the Farmall A, B, C, H, M, and Cub; the McCormick-Deering -4, -6, and -9; and the Super Series and -TA tractors.

This new, up-to-date history of Farmall includes the latest models and implements, bringing you all of the information you want about these unique tractors through beautiful photographs and in-depth text.

A history of the industrial and construction machines built by the International Harvester Company along with Hough and Dresser.

The developmental history of the tractors built by the dominant agricultural manufacturer of the early 20th Century, International Harvester, is dramatically told in The Farmall Dynasty. The book traces the evolution of the Farmall tractor from the early Titans and Moguls through to modern times.The book includes well-researched accounts of the development of the original Farmall, the Letter Series, 4100, Cub, and other legendary IHC tractors, with first-hand accounts from factory engineers describing the challenges they faced.

CD-ROM contains full text for all the procedures available in the manual. Files are provided both as fully formatted Word 6.0 (.doc) documents and as text-only documents (.txt).

If you enjoyed Leffingwell's best-selling The American Farm Tractor, this stunning volume is an absolute must read! International Harvester Tractors beautifully chronicles the history of IH tractors, from the very first tractor through the IH ag division's merger with Case in 1985. In addition to hundreds of nostalgic Farmall and IH photographs Leffingwell serves up an unprecedented collection of rare and unusual machines. The machines Leffingwell found in his travels across the US will surprise and delight even the hard-core IH fan! Exceptionally well produced in classic Leffingwell style. Recommended.

America's favorite small farm tractor is retrieved from the shed and shined up for duty in this essential guide by tractor repair expert Rachel Gingell and long-time writer Kenneth Updike. The Farmall Cub Encyclopedia is a comprehensive manual for any self-starter, at-home historian, or backyard farmer. Providing step-by-step instruction for maintenance and repair from oil changes to charging system snags, as well as user tips and a buyer's checklist, the Farmall Cub Encyclopedia will give you the confidence and know-how to buy, repair, and use your very own Farmall Cub. With instructional photographs, vintage advertisements, and contemporary images, this illustrated companion is at home on both the workshop bench and the living room coffee table. The book also includes an in-depth history of all models and a vast list of implements to adapt your tractor to any need, making it both an introduction and an authoritative resource for the novice and experienced tractor owner alike.

This book contains archive quality photos and features a complete history of International Harvester Australia with important dates such as the first Australian tractor built, the 10,000th tractor build date and more than 200 photos from International Harvester Australia Archives. It also contains detailed descriptions of every tractor made at Geelong Works, complete with build numbers of tractors produced and monthly serial number listing for tractors made from 1960-1982. This book also features a full list of headers (combines) built at Geelong Works - both self-propelled and PTO driven, with build numbers. It also includes a comprehensive list of implements built at Geelong Works. A must have for every International Harvester enthusiast!
