There are several myths associated with chefs and how you can become one. At the same time, a lot of the information you read under the heading of "how to be a chef" might not always be true. You will also read about the salaries of chefs around the world e.g. salaries for chef jobs in the US, salaries for chef jobs in the UK. Of course, salary is the most important topic no matter which career you talk about. It will not be wrong to say that the salary is "the" most important topic when you are discussing chefs. There is no fixed salary for a chef, that you will know as soon as you start reading the sections about the compensation of the chefs. You will also discover the salaries of the chefs in different parts of the
