Communication and Critical/Cultural Studies is a peer-reviewed journal founded in 2004 that publishes scholarship for an international readership on communication as a theory, practice, technology, and discipline of power.

~~Communication and Critical/Cultural Studies | National ...~~

Introduction. Critical and cultural studies of communication are focused on the analysis of cultural artifacts and practices in relation to the social formations in which they exist. The interrelationships of cultural signs, their conditions of production, and their reception by audiences are at the core of such studies.

~~Critical and Cultural Studies—Communication—Oxford ...~~

Critical theory often analyzes specific social institutions, probing the extent to which valued objectives are sought and achieved. Mass media and the mass culture they promote have become a focus for critical theory. Critical researchers link mass media and mass culture to a variety of social problems.
