The reading and writing activities working in tandem are intimately intertwined; reading stimulates writing just as much as writing stimulates reading. Finally, instruction in which reading and writing are explicitly interconnected develops the academic and literacy skills needed to succeed across disciplines.

Writing-Reading Connection: Critical

Download Ebook Connections Writing

Thinking Reading and writing are similar processes; they are both constructive (Pearson & Tierney, 1984). When individuals read they go through a process that is similar to writing (Tierney & Shanahan, 1991). The outcome of both reading and writing is that the individual constructs his or her own meaning.
