Effective hydration care for older people living in care homes

Care home fees have been rising at above-inflationary rates in recent years. For example, the UK inflation rate hovered around 2% at the end of 2018-19, but care home fees increased at more than double that rate (4.7%) in that year. What's more, in 2018-19 care home fees rose by the biggest annual hike in 10 years.
