Here's the approach that makes A&P easier to master. A student-friendly writing style, superb art program, and learning opportunities in every chapter build a firm foundation in this must-know subject to ensure success. See what students are saying online... Great book! "This is THE best Anatomy & Physiology book I've ever used. Clear and easy to understand. Some of the areas of physiology I've had problems with in the past were made clear this term with this book! I had to have it for class of course, but I'd also read it for fun. (I plan to keep the book instead of sell it)"--A. Francis Good. "This was a great text for my Anatomy and Physiology class. It was easy to understand and I got a great
