OVERVIEWThe tenth edition of Financial Management is a comprehensive and up-to-date text that presents the central themes and concerns of corporate financial management. It presents an analytical approach to corporate finance decision-making.

Financial Management: Theory & Practice
Excellent book with detailed coverage of most of the topics in finance. Also, to my pleasant surprise the book contains some topics that are, strictly speaking, not considered to be part of finance. Great printing quality and easy-to-read text. It is one of the books that RBI recommends for RBI Grade B exam.
