Giving Western literature and art many of its most enduring themes and archetypes, Greek mythology and the gods and goddesses at its core are a fundamental part of the popular imagination. At the heart of Greek mythology are exciting stories of drama, action, and adventure featuring gods and goddesses, who, while physically superior to humans, share many of their weaknesses. Readers will be introduced to the many figures once believed to populate Mount Olympus as well as related concepts and facts about the Greek mythological tradition.

While the ancient Roman pantheon in many ways resembles that of ancient Greece, there is much that sets apart Roman mythology. Romans also borrowed from the religions of ancient Egypt, Asia Minor, and the Middle East, and legendary figures such as Romulus and Remus, tied closely to the history of Rome, feature prominently in ancient stories. The major and lesser figures of Roman mythology are presented in this vibrant volume with sidebars spotlighting related facts and concepts about Roman mythology and religion.

The adventure begins here - the first novels from the five groundbreaking series by Rick Riordan! Starting with **THE LIGHTNING THIEF**, the book that launched millions of readers into the amazing world of Greek mythology, to **THE HIDDEN ORACLE**, the story that gives a new look to Roman myths -- not to mention the god, Apollo -- with visits to Egypt and Valhalla in between.
