Discusses the controversial issue of guns and gun laws, including the role of the National Rifle Association in the fight against gun control.

Gun Control. That single phrase is enough to spark a passionate debate from either side. It's hard to form a view one way or another when there is so much heated opinion for or against it. The ViewCaps Pros and Cons series takes a step back and looks at the issue objectively. It lays out only the facts and let's you decide what opinion to take. ViewCaps is an imprint of BookCaps™ Study Guides. With each book, a issue is objectively analyzed. We publish a wide array of topics (from baseball and music to science and philosophy), so check our growing catalogue regularly to see our newest books.

A somewhat controversial topic nowadays the gun control debate has become increasingly prevalent in the media as more and more incidences of not only adults, but children, being killed with guns have come to the fore. Therefore, the book "The Pros and Cons of the Gun Control Debate - How Do Obama's Laws Impact Gun Ownership" is well timed as it addresses many of the main issues. It delves right into the current situation in the United States and also compares it to the United Kingdom. This will be a hot topic for quite a while and, as it is also of international concern, it is best to be aware of all sides of the debate. The author explores both the pros and cons of gun control but does not impose her own views, allowing you to form your own opinions. Certainly people have a right to bear arms but at what point does it get out of control and require government intervention? Whether you are for or against gun control you can learn a lot from this book.
