By 250 AD, Christianity had spread throughout India and China. Known as the Shining Religion or the Luminous Teaching, it drew adherents from Buddhism and Hinduism who were seeking a faith that taught the possibility of achieving a society founded on love and compassion for their fellow man. The new doctrine reached the island nation of Japan where it was so well received that Christianity threatened to supplant Buddhism as the dominant religion. By the close of the 16th century Japanese Christians numbered in the millions. Fifty years later Christianity was officially proscribed and Christians

risk of capture by women. One side of his brain says this is insane and can lead to arrest while the other side lives in a fantasy world where women will punish him sexually. This is a problem he has carried with him since early elementary school. It has caused him to not grow, what's considered in our society, a healthy sex life. Now that Barry is in college, his innocence is revealed to the puzzlement of various girls he encounters. Sex with a steady girlfriend occurs, but it's not the cure he always thought it would be. The risks he takes have to be increased to get the same sexual high,
