Carl Jung's Red Book: Did Jung GO SCHIZOPHRENIC or PREDICT THE FUTURE?Jung And The Story Of Laurens Jan van der Post was introduced to Carl Gustav Jung by his wife Ingaret Giffard during their honeymoon in Switzerland in the early fifties. Jung was more than thirty years older than van der Post, but they had much in common as the younger man had already begun to write about his experiences growing up in southern Africa.

Jung and the Story of Our Time by Laurens van der Post

Jung told the story of the Solar Phallus Man time and time again throughout his life as conclusive evidence of the collective unconscious. The Solar Phallus Man, so Jung and his disciples claimed, had hallucinations and delusions with content that resembled an ancient Hellenistic magical text and therefore this was convincing proof of a collective unconscious.

Jungian psychology. Main article: Analytical psychology. Jung established a school of psychology which emphasizes the human quest for wholeness (which he defined as the integration of conscious and unconscious components of the psyche) through a process called individuation. Through studying folklore, world mythologies, and the dreams of his patients, Jung identified these components of the psyche as expressions of instinctual patterns (or archetypes).

The Jungian Model of the Psyche. Few people have had as much influence on modern psychology as Carl Jung; we have Jung to thank for concepts like extroversion and introversion, archetypes, modern dream analysis, and the collective unconscious. Psychological terms coined by Jung include the archetype, the complex, synchronicity, and it is from his work that the Myers-Briggs Ttype Indicator (MBTI) was developed, a popular staple of personality tests today.

Answer to Job is a 1952 book by Carl Jung that addresses the significance of the Book of Job to the "divine drama" of Christianity. It argues that while he submitted to Yahweh's omnipotence, Job nevertheless proved to be more moral and conscious than God, who tormented him without justification under the influence of Satan. This scandal made it necessary for God to become united with man. Satan was banished from heaven and God incarnated as purely good, through a virgin birth, into the sinless r

Jung saw dreams as the psyche ' s attempt to communicate important things to the individual, and he valued them highly, perhaps above all else, as a way of knowing what was really going on. Dreams are also an important part of the development of the personality – a process that he called individuation.
