Kamila is nine years old when she is taken from the poverty of her childhood village in southern Lebanon to Beirut. She has never learned to read or write though she longs to go to school. Stories, poetry and film are her passion - and a beautiful boy called Muhammad. They fall in love before Kamila is forced into an arranged marriage, despite her tears and screams. She is only fourteen years old. On her wedding night her first daughter is conceived; four years later, Hanan is born. Kamila and Muhammad continue to see each other in secret, risking their lives. It is eight years before Kamila can bring herself to divorce her husband, as to do so means leaving her daughters behind. Beautifully evoking the dusty streets of Beirut and life in Lebanon, this is a heartbreaking memoir of an extraordinary woman.

Be encouraged. Every fear you face has already been overcome! When it comes to fear, God has some pretty specific directions on what you are supposed to do: Fear not! God is serious about helping you become fearless. Some variation of the phrase, "Fear not" appears in the Bible at least 365 times. Fear is a serious issue as it holds you back from fulfilling the incredible calling God has on your life, and fear paralyzes you from enjoying abundant life in Christ. In this 91-Day devotional, Joe Pileggi shows you from Scripture and personal experience how to exchange a lifestyle of fear for a lifestyle of encouragement, hope and peace.

In a romantic and mysterious journey, Instant Mystic, transports readers through California beach towns, the Little India section of Los Angeles, and even ventures up the slopes of the Himalayas. And on this trek the readers is transported by food, humor, love and (of course), questions about the meaning of life!

When Geronimo Siltou finds out that the Pirate Cats are going back in time to Venice in the year 1517, he knows they must be after one thing: The Mona Lisa! Geronimo and friends must travel to Renaissance Italy to stop the Pirate Cats from stealing the Mona Lisa and taking credit for what is arguably the world's most famous painting. But the Pirate Cats have an ace up their sleeve: someone in Geronimo's crew is an imposter!

This book focuses directly on student empowerment through meaningful research. It fills a specific gap in educational literature by making explicit the relationship between teaching method, classroom practice, and the production of knowledge. Drawing on the best of theoretical innovations over the last decade Students as Researchers places them in a living accessible context. With a sound basis in theory, the book is also extremely practical and accessible for students, giving scenarios and examples that can be used to reveal the workings and benefits of research.

With one volume published each year, this series keeps scientists and students current with the latest developments and results in all areas of the plant sciences. This present volume includes insightful reviews covering genetics, cell biology, physiology, comparative morphology, systematics, ecology, and vegetation science.

After devastating betrayal at the hands of his oversexed wife, Benny is still determined to save his marriage. The move across the country is supposed to be a new start, but Benny's pain and distrust makes moving on easier said than done. Could his anger turn violent, or will forgiving Autumn be the key to healing their marriage? Autumn wants to save her marriage, and she vows to be faithful to her husband and earn his trust again. Things are going well, and Autumn and Benny are slowly finding their way back to each other, until she meets a handsome officer. Jordan Travers' quiet life is turned upside down when the beautiful Autumn literally falls in his lap. Before he knows it, he is caught up in an affair that threatens to destroy his marriage and his career. He makes it his mission to protect Autumn at all cost, no matter what's at stake. Find out what happens when love just isn't enough, in this steamy tale of lust and consequences.
