Cars.

This detailed and beautifully illustrated book covers the Mercedes-Benz W113 series, which ran from 1963 to 1971. Written by a highly regarded motoring writer, with many years' ownership of the Mercedes SL and SLC behind him, this is the definitive study of the subject. All models and major world markets are looked at, along with competition history. Extensive appendices cover engine specifications, chassis numbers, build numbers, and so on.

This totally revised, updated and enlarged book is THE complete guide to building a fast MG Midget or Austin-Healey Sprite for road or track. Daniel has been continuously developing his own 'Spridget' for years, and really does know what works and what doesn't when it comes to building a fast Midget or Sprite. Best of all, this book covers every aspect of the car, from the tyre contact patch to the rollover bar, and from radiator back to exhaust tailpipe. This new edition contains updated information for parts and suppliers, many new photos, and features new material covering aerodynamics, including results from testing the effect of modifications at the MIRA wind tunnel. With over 400 mainly colour photos and exclusive tuning advice, this is a MUST for any Sprite or Midget owner.

This book brings together all of the author's TR 2, 3, 3A, 4 & 4A expertise in one easy to use, completely updated and revised edition. Includes body, trim and mechanical restoration, left- to right- hand drive conversion, clubs, specialists and suppliers, welding and restoration techniques, and advice on which work to subcontract.

Volkswagen Repair Manual: GTI, Golf, Jetta: 1985-1992 Service to Volkswagen owners is of top priority to the Volkswagen organization and has always included the continuing development and introduction of new and expanded services. This manual has been prepared with the Volkswagen owner in mind. The aim throughout has been simplicity, clarity and completeness, with practical explanations, step-by-step procedures, and accurate specifications. Engines covered: * 1.6L Diesel (engine code: ME, MF, 1V) * 1.8L Gasoline (engine code: GX, MZ, HT, RD, RV, PF, PL) * 2.0L Gasoline (engine code: 9A) Transmissions covered: * 010 3-speed automatic * 020 5-speed manual

Automakers are as prone to turn out clunkers as politicians are to lie. Their cars may be ugly, misconceived, badly built, diabolical to drive, ridiculously thirsty, or just plain unreliable. So which were the worst of the past 20 years?
