This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Nous vous invitons à découvrir Rond-Point, deuxième édition! Based on the principles of task-based language teaching, students learn through collaboration and interaction. They develop their communicative skills from day one while working in the target language. Contexts are authentic and related to real-life; i.e. organizing a vacation, planning a party, and so on. Due in large part to its flexible organization, the program is being used successfully at a variety of colleges and universities around the world. This Second Edition is based on comments from instructors in Europe and in North America. The authors have retained the key elements that have made the first edition so successful: an abundance of authentic materials, fun and efficient smaller tasks leading students to the completion of a larger and more ambitious task at the end of each unit, recycling of the main grammar points throughout the book, a very dynamic approach where interactions and meaning negotiations among students is at the heart of each class.

Details the history of Russia from the religious revolution of 987 to the political revolution of 1917, graphically describing Russia's political and cultural environments under Ivan the Terrible, Peter the Great, and Catherine the Great

Berlin has triumphed over its own history as a divided city to become one of the most vibrant and thrilling capitals in Europe. Entire districts have been rebuilt in only ten years, making the city a showcase of great architectural achievement. "Living in Berlin" seeks out both the new and the old of Berlin's most eye-catching attractions from the fabulous eighteenth-century palace of Sans-Souci to breathtaking new buildings designed by moderns like Foster, Starck, and Gehry. This sumptuously illustrated book offers an insider's tour of the city's unique architectural and cultural heritage-and beyond, to the hidden jewels and neglected treasures of the Berlin that most travelers pass by. Living in Berlin pauses at the river and the lakes that lie at the heart of the city, and visits hidden courtyards and market squares. The classic Berlin of Kurt Weill's songs is still there; the voice of Marlene Dietrich still hangs in the smoke-filled bars-if only you know where to look! Living in Berlin also visits cutting-edge contemporary designs for living in the city; from minimalist modern settings to the organized chaos of young artists' studios. The book is completed by details on the best places for excursions and shopping trips, where to eat and where to stay, all selected by true Berliners.

The amazing tale of “County” is the story of one of America’s oldest and most unusual urban hospitals. From its inception as a “poor house” dispensing free medical care to indigents, Chicago’s Cook County Hospital has been renowned as a teaching hospital and the healthcare provider of last resort for the city’s uninsured. Ansell covers more than thirty years of its history, beginning in the late 1970s when the author began his internship, to the “Final Rounds” when the enormous iconic Victorian hospital building was replaced. Ansell writes of the hundreds of doctors who underwent rigorous training with him. He writes of politics, from contentious union strikes to battles against “patient dumping,” and public health, depicting the AIDS crisis and the Out of Printening of County’s HIV/AIDS clinic, the first in the city. And finally it is a coming-of-age story for a young doctor set against a backdrOut of Print of race, segregation, and poverty. This is a riveting account.

"Painted in Mexico: Pinxit Mexici, 1700-1790 is part of Pacific Standard Time: LA/LA, a far- reaching and ambitious exploration of Latin American and Latino art in dialogue with Los Angeles, taking place from September 2017 through January 2018. Published in conjunction with exhibition. Exhibition Itinerary: Fomento Cultural Banamex, Mexico City June 28-October 15, 2017 Los Angeles County Museum of Art November 19, 2017-March 18, 2018 Metropolitan Museum of Art, New York April 24-July 22, 2018"--

Revised edition with the most up to date stats, info, and sixteen pages of brand-new material! Updated versions of Minecraft's four bestselling handbooks are available in a stunning, gold-foiled boxed set! This ultimate collection includes the Essential Handbook, Redstone Handbook, Combat Handbook, and Construction Handbook. Each book now includes sixteen-addtional pages with brand-new content! Minecraft--the indie sandbox video game that took the world by storm--has been hailed as one of the greatest phenomena amongst gamers and educators for both its simplicity and its brilliance. Allowing players to build, explore, create, collaborate, and even survive, Minecraft has created a brave new world of gameplay. Each handbook contains helpful tips and information from the creators themselves, all of which will prove vital to your survival and creativity as you learn to mine, craft, and build in a world that you control.

The official Minecraft Annual 2017 is a celebration of the game and its community. Inside you'll find challenges set by the Mojang team as well as famous YouTubers like Stampy Cat and FyreUK. There are build battle ideas, survival strategies and challenges, Story Mode and Realms features and step-by-step guides to recreate builds from your favourite YouTubers' worlds. And you can read about the ways in which Minecraft has changed the world, from the charitable Block-by-Block foundation, to the epic MineCon event. With all this and more, Minecraft fans will be enjoying the official Annual well into 2017.
