Pond is an unforgettable story about a simple event - a long-ago fishing trip. Graphic novelist Thi Bui and acclaimed poet Bao Phi deliver a powerful, honest glimpse into a relationship between father and son - and between cultures, old and new. As a young boy, Bao and his father awoke early, hours before his father ' s long workday began, to fish on the shores of a small pond in Minneapolis. Unlike many other anglers, Bao and his father fished for food, not recreation. A successful catch meant a fed family. Between hope-filled casts, Bao ' s father told him about a different pond in their homeland of Vietnam. Thi Bui ' s striking, evocative art paired with Phi ' s expertly crafted prose has earned this powerful picture books six starred reviews and numerous awards.
