Press Freedom on All Platforms. As the UN agency with a specific mandate to foster freedom of expression, and its corollaries, press freedom and freedom of information, UNESCO sees these rights as crucial foundations of democracy, development and dialogue, and as preconditions for protecting and promoting all other human rights. Read more. UNESCO facilitates multi-stakeholder dialogue and mobilises advisory services toward legal and regulatory environments conducive to freedom of expression.

to protect press freedom and those advocating for the need of communication rights and media regulation. I will argue that this conflict can be related to distinct normative positions concerning the role of media and communication in a democratic society, and competing views as to the balance of power in society between market forces and the state.

The significance of press freedom in contemporary society and the attitudes of governments to freedom of expression and democratic practices have taken on a new garment since the end of the cold war. In Africa, a strong awareness of the advantages of a free press and the inalienable rights of the people to unfettered communication has sparked an unstoppable demand for freedom of the press across the continent.

Our empirical investigation finds evidence of a significant relationship between higher levels of press freedom and lower levels of corruption with other variables being equal. Furthermore, we provide evidence that while democracy deters corruption only in countries that enjoy press freedom, rule of law reduces corruption whether the press is free or unfree.

Synopsis. In this volume, twenty communications scholars examine, from a variety of perspectives, the past, and present developments in Africa’s quest for press freedom. The essays focus on the media in Anglophone, Arabic speaking, Francophone, and Lusophone Africa, capturing the inherent problems and benefits-where they exist-of colonial legacy and the fragility of press freedom in the fledgling post-colonial administrations bedeviled by the underdevelopment and political instability.
