Book summary: Rich dad's guide to investing by Robert Kiyosaki
that the rich don't invest in the same things as the poor and middle classes; why it's better to invest your pre-tax earnings than save your taxed income; and; why "get an education, work hard, save money" is bad advice. The richest 10 percent have 90 percent of the money because they invest in a way that the poor and middle classes do not.

Originally self-published before being picked up commercially, Kiyosaki followed the original book with Rich Dad's CASHFLOW Quadrant and then Rich Dad's Guide to Investing. A Rich Dad series of books followed there after with "Rich Dad Advisors" authoring many of them.

Rich Dad - Wikipedia
Kiyosaki's "rich dad" (actually, the father of his best friend) tells him the simplest analogy is the game Monopoly: buy four green houses, trade them for one red hotel, and repeat until you become rich. The overall message of Rich Dad's Guide to Investing is that this is an abundant world, full of opportunity for the sophisticated investor.

Rich Dad's Guide to Investing is a guide to understanding the real earning power of money by learning some of the investing secrets of the wealthy.

Describes how the wealthiest percentage of the population handles investments, and suggests ways to follow the example, including building one's own business in order to invest as a business, not an individual. Reissue. 100,000 first printing.
Rich Dad's Guide to Investing is a roadmap for those who want to become successful investors and invest in the types of assets that the rich do. Whether your goal is to become financially secure, comfortable, or rich this book is your guide to understanding the asset classes and investment strategy. Robert explains his basic rules of investing, how to reduce your risk and Rich Dad's 10 Investor Controls as well as ways to convert your earned income into passive portfolio income.

Although we have been successful in our careers, they have not turned out quite as we expected. We both have changed positions several times-for all the right reasons-but there are no pension plans vesting on our behalf. Our retirement funds are growing only through our individual contributions. Michael and I have a wonderful marriage with three great children. As I write this, two are in college and one is just beginning high school. We have spent a fortune making sure our children have received the best education available. One day in 1996, one of my children came home disillusioned with school. He was bored and tired of studying. "Why should I put time into studying subjects I will never use in real life?" he protested. Without thinking, I responded, "Because if you don't get good grades, you won't get into college." "Regardless of whether I go to college," he replied, "I'm going to be rich."

From the #1 bestselling author of "Rich Dad, Poor Dad" comes the ultimate guide to real estate--the advice and techniques every investor needs to navigate through the ups, downs, and in-betweens of the market.

For years, Robert Kiyosaki has firmly believed that the best investment one can ever make is in taking the time to truly understand how one's finances work. Too many people are much more interested in the quick-hitting scheme, or trying to find a short-cut to real wealth. As Kiyosaki has preached over and over again, one has to truly under the process of how money works before one can start out on trying to escape the daily financial Rat Race. Now, in this latest book in the popular Rich Dad Poor Dad series, Kiyosaki lays out his 5 key principles of Financial Intelligence for all to understand. In INCREASE YOUR FINANCIAL IQ, Kiyosaki provides real insights on these key steps to wealth: o How to increase your money -- how to assess what you're really worth now, what your prospects are, and how to start mapping out your financial future. o How to protect your money -- for better or for worse, taxes are a way of life. Kiyosaki shows you that "it's not what you make....it's what you keep." o How to budget your money -- everybody wants to live large, but you have to learn how to live within your budget. Kiyosaki shows you how you can. o How to leverage your money -- as you build your financial IQ, knowing how to put your money to work for you is a crucial step. o How to improve your financial information -- Kiyosaki shows you how to accelerate your wealth as you learn more and more.

What happens when a young Wall Street investment banker spends a small fortune to have lunch with Warren Buffett? He becomes a real value investor. In this fascinating inside story, Guy Spier details his career from Harvard MBA to hedge fund manager. But the path was not so straightforward. Spier reveals his transformation from a Gordon Gekko wannabe, driven by greed, to a sophisticated investor who enjoys success without selling his soul to the highest bidder. Spier's journey is similar to the thousands that flock to Wall Street every year with their shiny new diplomas, aiming to be King of Wall Street. Yet what Guy realized just in the nick of time was that the King really lived 1,500 miles away in Omaha, Nebraska. Spier determinedly set out to create a new career in his own way. Along the way he learned some powerful lessons which include: why the right mentors and partners are critical to long term success on Wall Street; why a toponotch education can sometimes get in the way of your success; that real learning doesn't begin until you are on your own; and how the best lessons from Warren Buffett have less to do with investing and more to do with being true to yourself. Spier also reveals some of his own winning investment strategies, detailing deals that were winners but also what he learned from deals that went south. Part memoir, part Wall Street advice, and part how-to, Guy Spier takes readers on a ride through Wall Street but more importantly provides those that want to take a different path with the insight, guidance, and inspiration they need to carve out their own definition of success.
