This selection of poetry and prose by Ghalib provides an accessible and wide-ranging introduction to the preeminent Urdu poet of the nineteenth century. Ghalib's poems, especially his ghazals, remain beloved throughout South Asia for their arresting intelligence and lively wit. His letters—informal, humorous, and deeply personal—reveal the vigor of his prose style and the warmth of his friendships. These careful translations allow readers with little or no knowledge of Urdu to appreciate the wide range of Ghalib's poetry, from his gift for extreme simplicity to his taste for unresolvable complexities of structure. Beginning with a critical introduction for nonspecialists and specialists alike, Frances Pritchett and Owen Cornwall present a selection of Ghalib's works, carefully annotating details of poetic form. Their translation maintains line-for-line accuracy and thereby preserves complex poetic devices that play upon the tension between the two lines of each verse. The book

includes whole ghazals, selected individual verses from other ghazals, poems in other genres, and letters. The book also includes a glossary, the Urdu text of the original poetry, and an appendix containing Ghalib's comments on his own verses.

Snustad's 6th edition of Principles of Genetics offers many new and advanced features including boxed sections with the latest advances in Genetics, a streamlined roster of topics, a more reader-friendly layout, and new problem-solving supplements. Furthermore, this new edition includes more problem solving within each chapter through the Test Your Problem Solving Skills feature and a Solve It icon to prompt readers to go online to WileyPlus for animated tutorials. A new one-column design better showcases important pieces of art and avoids the "overwhelmed" reaction readers have to the crowded layouts found in many other texts. Boxed sections reduce in size to help maintain the flow of the text and the Focus On boxes are revised to include the most current developments in genetics as well as most relevant topics.

In The Present Work, An Attempt Has Been Made To Give An Accurate Picture Of Tipu Sultan By Disengaging His Personality From Masses Of Fictions And Distortions Which Have Gathered Round Him. As Practically The Whole Of Tipu'S Life Was Taken Up With Fighting, The Author Has Devoted Considerable Space To Campaigns And Battles. However, He Has Not Ignored Other Aspects Of His Career. He Has Paid Sufficient Attention To The Causes And Results Of Wars, While Tipu'S Relation With The English, The French, The Nizam, The Marathas And The Ottoman Sultan Have Been Fully Discussed. The Last Three Chapters Of The Book Have Been Devoted To A Description Of The Sultan'S Government And Army, His Reforms And Religious Policy, His Efforts At Industrialisation And State Socialism, His Character, His Failures And Achievements. This Pioneering Study Will Enable The Reader To Appraise The Career And Character Of This Extraordinary Man. Its Scholarly Value Is Enhanced By Professor Hasan'S Extensive Use Of English, French, Persian, And Urdu Sources.

South Aisa Exploded In 1971. Throughout This Year Siddiq Salik Was In Dacca, A Uniquely Privileged Observer And Participant In The Drama That Culminated In The Indo-Pak War And The Creation Of Bangladesh. During His Two Years As Pow, The Author Was Able To Analyse The Complex Circumstances Which Underlay The High Drama, And Has Produced An Authoritative Narrative. Beginning With Political Turbulence Of The Period, He Gives A Detailed Professional Account Of The War.

A Night in London chronicles the diverse and often conflicting emotional, ideological and political aspirations of an entire generation of Indian students in Europe. The novella sheds light on the

dynamics of late imperial culture-English working-class politics, anti-colonial sentiment and race relations-like no other sustained narrative by an expatriate Indian author of the same period. Long considered a landmark in twentieth-century Urdu fiction, *A Night in London* is being made available in English for the first time in a translation by Bilal Hashmi. The volume also features an introduction by Carlo Coppola, a noted scholar and critic of Urdu literature.

Drawings from the Gulag consists of 130 drawings by Danzig Baldaev describing the history, horror and peculiarities of the Gulag system from its inception in 1918. Baldaev's father, a respected ethnographer, taught him techniques to record the tattoos of criminals in St Petersburg's notorious Kresty prison, where he worked as a guard. He was reported to the KGB who unexpectedly supported his work, allowing him the opportunity to travel across the former USSR. Witnessing scenes of everyday life in the Gulag, he chronicled this previously closed world from both sides of the wire. With every vignette, Baldaev brings the characters he depicts to vivid life: from the lowest zek (inmate) to the most violent tattooed vor (thief), all the practices and inhabitants of the Gulag system are depicted here in incredible, and often shocking, detail. In documenting the attitude of the authorities to those imprisoned, and the transformation of those citizens into survivors or victims of the Gulag system, this 'graphic novel' vividly depicts methods of torture and mass murder undertaken by the administration, as well as the atrocities committed by criminals on their fellow inmates.

Acclaimed translator Dick Davis breathes new life into the timeless works of three masters of 14th-century Persian literature. Together, Hafez, a giant of world literature; Jahan Malek Khatun, an eloquent princess; and Obayd-e Zakani, a dissolute satirist, represent one of the most remarkable literary flowerings of any era. All three lived in the famed city of Shiraz, a provincial capital of south-central Iran, and all three drew support from arts-loving rulers during a time better known for its violence than its creative brilliance. Here Dick Davis, an award-winning poet widely considered "our finest translator of Persian poetry" (*The Times Literary Supplement*), presents a diverse selection of some of the best poems by these world-renowned authors and shows us the spiritual and secular aspects of love, in varieties embracing every aspect of the human heart. "Davis [is] widely acknowledged as the leading translator of Persian literature in our time...*Faces of Love* has made the Persian originals into real and moving English poems." —Michael Dirda, *The Washington Post*

For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary

authors, as well as up-to-date translations by award-winning translators.

SAQI-NAMA (Book of the Winebringer) Allama Iqbal Translation & Introduction Paul Smith (Sir) Muhammad (often called Allama) Iqbal was born in 1877 Sialkot within the Punjab Province of British India (now in Pakistan). During his study in Europe, Iqbal began to write poetry. He prioritized it because he believed he had found an easy way to express his thoughts. The poetry and philosophy of Rumi bore the deepest influence on his mind. Iqbal's poetry has been translated into many languages, at the time when his work was famous during the early part of the 20th century. He died in 1937. Many of Iqbal's ghazals resemble those of Hafiz and it is through the rhymes and metres he inherited from Hafiz, Ghalib and others, that he expounded his philosophy of Action and the realization of the 'Self'. Iqbal wrote one of the more recent Saqi-namas (a form perfected by Hafiz) in masnavi form in Urdu. 'The central theme of the poem is Muslim Renaissance. Iqbal sketches changing order of the world's political system and laments that Islamic Nations are still devoid of that awakening. He prays to Almighty Allah to bestow Muslims with wisdom and awareness'. Wikipedia. This beautiful translation is in the correct form. Introduction: The Life & Work of Allama Iqbal, Timeline, Genre of the 'Book of the Winebringer' (Saqi-Nama), Bibliography. APPENDIX: Masnavi: From 'The Secrets of Self'... (From the Persian) The Prologue...Large Format 7" x 10" Pages 139. COMMENTS ON PAUL SMITH'S TRANSLATION OF HAFIZ'S 'DIVAN'. "It is not a joke... the English version of ALL the ghazals of Hafiz is a great feat and of paramount importance. I am astonished." Dr. Mir Mohammad Taghavi (Dr. of Literature) Tehran. "Superb translations. 99% Hafiz 1% Paul Smith." Ali Akbar Shapurzman, translator from English to Persian and knower of Hafiz's Divan off by heart. Paul Smith is a poet, author and translator of many books of Sufi poets of the Persian, Arabic, Urdu, Turkish, Pashtu and other languages, including Hafiz, Sadi, Nizami, Rumi, 'Attar, Sana'i, Jahan, Obeyd Zakani, Nesimi, Kabir, Anvari, Ansari, Jami, Khayyam, Rudaki, Yunus Emre, Shah Latif, and many others, as well as his own poetry, fiction, plays, biographies, children's books and screenplays. www.newhumanitybooks.com

Made in India examines seemingly disparate and high profile events in postcolonial India that captured national and transnational/diasporic interest since the 1990s: The emergence of the Indian homosexual, the new trans/national heterosexual woman, lesbian suicides, marriage and kinship contracts in small towns around India and the simultaneous evolution of the modern homophobia and lesbian NGOs. These events demonstrate the material, political, and cultural contexts within which postcolonial subjects negotiate their lived experiences within moments of decolonization and recolonization.
