Living Life as a Sacred Practice is the author's response to many years of trying to learn various methods of unifying mind, body, and spirit. She has captured the essence of life and greatness in this book with the inclusion of many practices to develop spiritual mastery. The approach requires choosing a theme from the table of contents that resonates with the reader or that the reader needs to work on. Examples of suggested sections are Abundance, Sacred Feminine, Beauty, Life, Light, Breath Consciousness, Healing, Wellness, and Inside Out. The process begins with reflecting on a quotation, reading a commentary, and reciting an affirmation. This can be repeated throughout the day to reinforce the message. You may choose a practice for twenty-one to thirty days to achieve spiritual transformation, or just use the suggested one that comes along with the quote for inspiration. The commentaries are unique, thoughtful, and out of this world. It teaches the reader to be an original thinker and to look at life from the vantage point of a creator, not as an object of creation.

This book contains a collection of simple healing techniques that are easy to carry out on an everyday basis and, in some cases, are essential to your ongoing well-being. Some of these techniques may be new to you, while others may be familiar and so may be a welcome reminder for you. All of them are fairly uncomplicated, and all are highly effective. The idea of putting them in one place in a comfortably sized volume is that they are more easily accessible and so easy to remember, use, and integrate on an everyday basis. I call this book and those techniques Gifts for Your Soul, for that is exactly what they are. As energetic beings, or souls, having a human experience, when we take care of our personality, human self, and energy field, we also care for our soul self. These techniques help us integrate our soul reality into the human experience more easily, and then they can help us live our lives from a bigger picture or soul perspective, which is deeply comforting and infinitely more rewarding than a small-time, one-life perspective.

It is about creating space for our divine Essence to emerge. The Tap and Breathe I Am (TaBIA) process is used throughout the remaining eleven Ps of empowerment along with the Four Keys of the Queendom, which focuses on living the Way of the Heart. It is from the heart, we create Heaven on Earth. When we are Awake, Aware and At One, our vision of Paradise will manifest.
