The #1 lesson from living with less A month without 95% of our belongings taught me lots. But perhaps most importantly it taught me that living with less is not only possible – it's my preferred way to live. When I live with less, I'm less distracted.

*Living with less: Discovering what really matters - Simple ...*

At once pragmatic and philosophical, Simple Matters is a nod to the growing consensus that living simply and purposefully is more sustainable not only for the environment, but for our own happiness and well-being, too. Boyle embraces the notion that “living small” is beneficial and accessible to us all—whether we’re renting a tiny apartment or purchasing a three-story house.
