This Very Short Introduction to Social and Cultural Anthropology combines an accessible account of some of the disciplines guiding principles and methodology with abundant examples and illustrations of anthropologists at work. Peter Just and John Monaghan begin by discussing anthropology's most important contributions to modern thought: its investigation of culture as a distinctively human characteristic, its doctrine of cultural relativism, and its methodology of fieldwork and ethnography.

Sociology: A Very Short Introduction Audiobook | Steve ...

Drawing on studies of social class, crime and deviance, education, work in bureaucracies, and changes in religious and political organizations, Sociology: A Very Short Introduction explores the tension between the individual 's place in society and society 's role in shaping the individual, and demonstrates the value of sociology for understanding the modern world. It outlines the unique vision of sociology and shows that much social theory is actually philosophy or literary theory.
