Now Barton in his new book, *The Definitive Guide to Social CRM*, captures how a firm should plan, manage, and leverage social media as a means to increase the bottom line. What makes this book so insightful is the integration of social media capabilities with those of CRM; the narrative is both compelling and practical for any leader trying to bring customer relationship capabilities to fruition—the narrative is a roadmap on how to make that outcome a reality.”

The definitive guide for marketers According to Forrester Research, 57% of the buyer's journey happens before a sales rep is involved. Social selling lets your sales people engage with prospects at a much earlier stage. The earlier they engage, the more time and opportunity they have to build sufficient rapport and trust to make a sale.
