The Dialogues. The Dialogues: Conversations
About the Nature of the Universe, written and
illustrated by Clifford V. Johnson, is a
unique graphic book through which you, the
reader, eavesdrop on nine conversations
featuring science, taking place in
contemporary locations around the world. The
topics range from the science of cooking, to
black holes, the nature of time, the
multiverse, and many things in between!

A series of conversations about science in graphic form, on subjects that range from the science of cooking to the multiverse. Physicist Clifford Johnson thinks that we should have more conversations about science. Science should be on our daily conversation menu, along with topics like politics, books, sports, or the latest prestige cable drama.
