The fourth title in the number one bestselling CHERUB series! A routine operation for James turns into a much more deadly mission... Leon is a small-time crook who's ridden his luck for three decades. When he starts splashing big money around, the cops are desperate to know where it came from.

When James is given the mission of digging up leads on Leon, a small-time crook with big money, James unravels a larger plot than expected with the only person who might know the truth being a deceased eighteen-year-old boy.

CHERUB agents are all seventeen and under. They wear skate tees and hemp, and look like regular kids. But they're not. They are trained professionals who are sent out on missions to spy on terrorists and international drug dealers. CHERUB agents hack into computers, bug entire houses, and download crucial documents. It is a highly dangerous job. For their safety, these agents DO NOT EXIST. Leon is a small-time crook with big money. When the cops call in CHERUB, James's mission looks entirely routine: make nice with Leon's kids, dig up some leads, and infiltrate his home. But when James suddenly unravels a much larger plot, the mission becomes anything but ordinary. Unfortunately, the only person who might know the truth is a reclusive eighteen-year-old boy -- who happens to have died more than a year ago.

CHERUB agents are all seventeen and under. They wear skate tees and hemp, and look like regular kids. But they're not. They are trained professionals who are sent out on missions to spy on terrorists and international drug dealers. CHERUB agents hack into computers, bug entire houses, and download crucial documents. It is a highly dangerous job. For their safety, these agents DO NOT EXIST. When CHERUB uncovers a link between eco-terrorist group Help Earth and a wealthy religious cult known as The Survivors, James is sent to their isolated outback headquarters on an infiltration mission. It's a thousand kilometers to the closest town, and James is under massive pressure from the cult's brainwashing techniques. This time he's not just fighting terrorists.... He's got to battle for his own mind.

Spring, 1941. German submarines are prowling the North Atlantic, sinking ships filled with the food, fuel and weapons that Britain needs to survive. With the Royal Navy losing the war at sea, six young agents must sneak into Nazi-occupied Europe and sabotage a submarine base on France's western coast. If the submarines aren't stopped, the British people will starve.

They are trained professionals who are sent out on missions to spy on terrorists and international drug dealers. CHERUB agents hack into computers, bug entire houses, and download crucial documents. It is a highly dangerous job. For their safety, these agents DO NOT EXIST. Two hundred eighty child criminals live in the sunbaked desert prison Arizona Max. One of them is the son of a weapons dealer who has been selling U.S. missiles to terrorists. If CHERUB can get the kid, they can get the parent. Over the years, CHERUB has put plenty of criminals behind bars. Now, for the first time ever, they've got to break one out....

When a new radical animal protection group argues that it is right to kill or threaten one human in order to save the lives of many animals, James and the other agents must try to stop the group from completing a violent mission.

The first title in the number one bestselling CHERUB series! James hits rock bottom before he's offered a new start in an intriguing organisation ... A terrorist doesn't let strangers in her flat because they might be undercover police or intelligence agents, but her children bring their mates home and they run all over the place. The terrorist doesn't know that one of these kids has bugged every room in her house, made copies of all her computer files and stolen her address book. The kid works for CHERUB. CHERUB agents are aged between ten and seventeen. They live in the real world, slipping under adult radar and getting information that sends criminals and terrorists to jail. For official purposes, these children do not exist. Praise for the CHERUB series: 'Punchy, exciting, glamorous and, what's more, you'll completely wish it was true' - Sunday Express 'Crackling tension and high-octane drama' - Daily Mail 'A really good book that you could re-read over and over again' - Guardian 'Pacy writing, punchy dialogue and a gripping plot, it's got it all' - Daily Express 'Fast-moving action ... and cool gadgets!' - The Times Visit cherubcampus.com - the essential internet destination, packed with exclusive content and with in-depth biographies of CHERUB characters, out-takes and bonus stories.

law, kids convicted of serious crimes can be sentenced as adults. Two hundred and eighty of these child criminals live in the sunbaked desert prison of Arizona Max. In one of the most dangerous CHERUB missions ever, James Adams has to go undercover inside Arizona Max, befriend an inmate and then bust him out. CHERUB kids are trained professionals, working in everyday situations. Their essential advantage: adults never suspect that children are spying on them. For official purposes, these children do not exist.

Teen special agents James and Lauren travel to the US in the tenth book of the CHERUB series, which Rick Riordan says has “plenty of action.” CHERUB agents are highly trained, extremely talented—and all under the age of seventeen. For official purposes, these agents do not exist. They are sent out on missions to spy on terrorists, hack into crucial documents, and gather intel on global threats—all without gadgets or weapons. It is an extremely dangerous job, but these agents have one crucial advantage: Adults never suspect that teens are spying on them. In *The General*, James and Lauren travel to America to help train the army. And while they’re there, they get into a little trouble in Las Vegas. What happens in Vegas, stays in Vegas...right?
