It was widely predicted that the end of the Cold War would lead to a prolonged period of US-friendly neo-liberal hegemony in Latin America. In fact, the left has re-emerged as a serious political actor. Today, leftist or 'progressive' political forces are in government in nine Latin American nations, and social movements continue to challenge neo-liberalism in several other countries.

The New Latin American Left: Utopia Reborn. It was widely predicted that the end of the Cold War would lead to a prolonged period of US-friendly neo-liberal hegemony in Latin America. In fact, the left has re-emerged as a serious political actor. Today, leftist or 'progressive' political forces are in government in nine Latin American nations, and social movements continue to challenge neo-liberalism in several other countries.

The New Latin American Left: Utopia Reborn on JSTOR

The New Left emerged in Latin America, a group which sought to go beyond existing Marxist–Leninist efforts at achieving economic equality and democracy to include social reform and address issues unique to Latin America such as racial and ethnic equality, indigenous rights, the rights of the environment, demands for radical democracy, international solidarity, anti-colonialism, anti-imperialism and other aims.

New Left - Wikipedia

Unlike established historiographical fields in US or European history that associate the 1960s with a broadly defined New Left, the term is more readily used for Latin America to refer to the recent “pink tide” of democratically elected, left-leaning governments in Central and South America or as a descriptive label for the assortment of rural and urban guerrilla movements that emerged after the Cuban Revolution, seeking to seize state power.

The New Left in Latin America - Latin American Studies ...

The revitalisation of the Latin American left began last year when the Peronists returned in Argentina, ejecting business tycoon Mauricio Macri and propelling former Pink Tide leader Cristina...

It is premature for Latin America's left to celebrate a ...

Latin America's left wave was a colossal failure. Countries that maintained solid economic policies (Chile and Colombia) are prospering, while those that didn't are nearing economic failure. The left wave was Latin America's most disastrous event since the wave of military regimes. The pendulum is starting to correct itself in many of these countries.

The New Latin American Left: Utopia Reborn (Transnational ...

Latin America's 'left turn' About two-thirds of all Latin Americans lived under some form of leftist government by 2010 – a “pink tide” that washed over the region following the ...

The Latin American left isn't dead yet

The new Latin American Left has challenged the neoliberal order and placed socialism back on the agenda. In the process, it has raised fundamental questions over political struggle and social change in this age of global capitalism.

The New Latin American Left: Cracks In The Empire ...

Ellner / LATIN AMERICA'S NEW LEFT IN POWER 97 Most political analysts place the governments of Hugo Chávez (Venezuela), Evo Morales (Bolivia), and Rafael Correa (Ecuador) in the same category but without identifying their common characteristics. Since the publication of Castañeda and Morales's Leftovers (2008), critics of the left have sought to
