Susan Spencer-

Joy* is a moving and
inspirational
memoir by a
woman who makes
the most of her
final days after

discovering she has
amyotrophic lateral
sclerosis (ALS).

After Spencer-
Wendel, a
celebrated
journalist at the
Palm Beach Post,
learns of her
diagnosis of ALS,
more commonly
known as Lou
Gehrig's disease,
she embarks on

Several adventures, traveling to several countries and sharing special experiences with loved ones. One trip takes Spencer-Wendel and her fourteen-year-old daughter, Marina, to New York City's Kleinfeld's Bridal to shop for Marina's

future wedding dress—an occasion that Susan knows she will never see.

Co-written with Bret Witter, *Until I Say Good-Bye* is Spencer-Wendel's account of living a full life with humor, courage, and love, but also accepting death with grace and dignity. It's a

celebration of life,
a look into the face
of death, and the
effort we must
make to show the
people that we love
and care about
how very much
they mean to us.

A time to reflect on
my seventy years
of life. Maybe some
folks will be

interested in my life and the folks I have met, or maybe not. This is a non-traditional memoir, filled with alphabetical vignettes not chronological ones. I have made a foray into fiction with an asterisk: in those cases where I have marked the

Get Free To Live Until We Say Good Bye

vignette as fictional, it might be 100 percent not true, but in many cases I knew of, was part of, or heard from others about the story itself. At any rate, the entire book is my recollection of things past, and as in all recollections, the more distant

Struggling with loss, The Last Seven Pages is a testimony of a God who is present in our darkest moments, and who turned a devastating illness into a life-changing promise.

Mind Your Thoughts is a book

Page 74/86

Get Free To Live Until We Say Good Bye

that will help you
quiet and focus
your thoughts so
you speak directly
to your
unconscious state
of being in a
language the mind
understands.

Meditation is
nothing more than
relaxation, and in a
meditative state,
your conscious can

**Get Free To
Live Until We
Say Good Bye**

relax and allow you
to speak directly to
the unconscious.
The unconscious is
in charge of your
life, even though
you allow your
conscious to be in
control. If you want
to experience
change in your life,
you need to learn
to bypass the
conscious control

Get Free To Live Until We Say Good Bye

which can be described as critical, analytical, and most of all judgmental.

Meditating through relaxation is how you reprogram your unconscious with new concepts and information.

The unconscious learns by applying this information

Get Free To Live Until We Say Good Bye

against the storage
of all your
memories,
experiences,
reactions, and
emotions. Also, the
unconscious is
much more
accepting of
change because it
processes
information without
judgment. You will
see both mental

Get Free To Live Until We Say Good Bye

and physical changes resulting from this process. Practice with the thoughts in this book; your unconscious will understand even if your conscious seems confused. Mind your thoughts and experience a human metamorphosis

Get Free To Live Until We Say Good Bye.

The purpose of meditation is to quiet the mind. Meditation removes the clutter of thoughts from everyday life, and also helps you to get in touch with your higher consciousness. It does take practice, so do not become

Get Free To Live Until We Say Good Bye

discouraged. Set aside 45 minutes each evening before you go to sleep. Sit in a quiet room, in a comfortable and relaxed position wearing loose clothing. Close your eyes and take a deep breath in through your nose and let it out slowly

Get Free To Live Until We Say Good Bye

through your
mouth. With each
breath in, clear
your mind of all
thoughts, and feel
your body relax.
Repeat this 9 times
before beginning.
This book contains
81 thoughts for you
to meditate on.
There are 9 sets of
9 thoughts each.
Start with Set One

Get Free To Live Until We Say Good Bye

and allow 5 minutes of meditation for each thought. After your initial warm up of 9 deep breaths, read the first thought of the first set. Close your eyes and continue your deep breathing as you reflect on the thought and what it may mean to you

Get Free To Live Until We Say Good Bye

and your life. Think
of nothing else.

Repeat this with
each thought until
you complete Set
One. It will take
you at least 9
evenings to get
through all of the
sets in the book.

You may want to
repeat a set over
and over again
before moving on

Get Free To Live Until We Say Good Bye

to the next set. Eventually, you will have your favorite thoughts that you will want to dedicate your meditations on. Most people enjoy thoughts of wisdom, but rarely take the time to internalize them enough to be life changing. Practice

**Get Free To
Live Until We

mindfulness in life
and create ripples
that will forever
change your life.
This is not an
instructional book
on the art of
meditation.
