"Too Loud a Solitude" is autobiographical -- and self-exemplary -- to the extent that Hrabal's numerous years as a manual laborer (including a stint as a wastepaper

So begins *Too Loud A Solitude*, a slim novel by Czech author Bohumil Hrabal. The plot of the novel is rather simple; Hanta, an old man, has been operating a giant compactor for thirty-five years. He

rescues rare books, which he reads and hoards in his house.

Too Loud A Solitude – Bohumil Hrabal – Kinna Reads

Simply written, Too Loud a Solitude is a intriguing novel beginning with, "For thirty-five years now I've been in

wastepaper, and it's my love story," the story unfolds rife with symbolism and allusions.

A fable about the power of books and knowledge, "finely balanced between pathos and comedy," from one of

Czechoslovakia's most popular authors (Los Angeles Times). A New York Times Notable Book Hařtá has been compacting trash for thirty-five years. Every evening, he rescues books from the jaws of his hydraulic press, carries them home, and fills his house with them. Hařtá may be an idiot, as his boss calls him, but he is an

idiot with a difference—the ability to quote the Talmud, Hegel, and Lao-Tzu. In this “irresistibly eccentric romp,” the author Milan Kundera has called “our very best writer today” celebrates the power and the indestructibility of the written word (The New York Times Book Review).

He has rescued many from jaws of hydraulic press and now his house is filled to the rooftops. Destroyer of the written word, he is also its perpetuator. But when a new automatic press makes his job redundant there's only one thing he can do - go down with his ship. This is an eccentric romp celebrating the

indestructability- against censorship, political oppression etc - of the written word.

This National Book Critics Circle Award is “an entrancing attempt to catch what falls between: the irreducibly personal, messy, even embarrassing ways reading

and living bleed into each other, which neither literary criticism nor autobiography ever quite acknowledges.” —The New York Times “Stories, both my own and those I’ve taken to heart, make up whoever it is that I’ve become,” Peter Orner writes in this collection of essays about reading, writing, and living. Orner

Get Free Too Loud A Solitude

reads and writes everywhere he finds himself: a hospital cafeteria, a coffee shop in Albania, or a crowded bus in Haiti. The result is a book of unlearned meditations that stumbles into memoir. Among the many writers Orner addresses are Isaac Babel and Zora Neale Hurston, both of whom told their truths and were silenced;

Get Free Too Loud A Solitude

Franz Kafka, who professed loneliness but craved connection; Robert Walser, who spent the last twenty-three years of his life in a Swiss insane asylum, working at being crazy; and Juan Rulfo, who practiced the difficult art of silence.

Virginia Woolf, Eudora Welty, Yasunari Kawabata, Saul Bellow, Mavis Gallant,

Get Free Too Loud A Solitude

John Edgar Wideman, William Trevor, and Vaclav Havel make appearances, as well as the poet Herbert Morris--about whom almost nothing is known. An elegy for an eccentric late father, and the end of a marriage, *Am I Alone Here?* is also a celebration of the possibility of renewal. At once personal and panoramic, this book

Get Free Too Loud A Solitude

will inspire readers to return to the essential stories of their own lives.

Rake, drunkard, aesthete, gossip, raconteur extraordinaire: the narrator of Bohumil Hrabal's rambling, rambunctious masterpiece *Dancing Lessons for the Advanced in Age* is all these and more.

Get Free Too Loud A Solitude

Speaking to a group of sunbathing women who remind him of lovers past, this elderly roué tells the story of his life—or at least unburdens himself of a lifetime's worth of stories. Thus we learn of amatory conquests (and humiliations), of scandals both private and public, of military adventures and domestic feuds, of what

Get Free Too Loud A Solitude

things were like “in the days of the monarchy” and how they’ve changed since. As the book tumbles restlessly forward, and the comic tone takes on darker shadings, we realize we are listening to a man talking as much out of desperation as from exuberance. Hrabal, one of the great Czech writers of the

Get Free Too Loud A Solitude

twentieth century, as well as an inveterate haunter of Prague's pubs and football stadiums, developed a unique method which he termed "palavering," whereby characters gab and soliloquize with abandon. Part drunken boast, part soul-rending confession, part metaphysical poem on the nature of love and time, this

Get Free Too Loud A Solitude

astonishing novel (which unfolds in a single monumental sentence) shows why he has earned the admiration of such writers as Milan Kundera, John Banville, and Louise Erdrich.

A literary master's story about the aggravations and great joys of cats, from "a most sophisticated novelist, with a gusting humor and a hushed tenderness of

Get Free Too Loud A Solitude

detail” (Julian Barnes) In the autumn of 1965, flush with the unexpected success of his first published books, the Czech author Bohumil Hrabal bought a cottage in Kersko, about an hour’s drive east of Prague. From then until his death in 1997, he divided his time between Prague and Kersko, where he wrote and tended to a

Get Free Too Loud A Solitude

community of feral cats. Over the years, his relationship to cats grew deeper and more complex, becoming a measure of the pressures, both private and public, that impinged on his life as a writer. Despite the tender love he feels for the cats, especially his favorites who share his bed, there are moments of intense violence—as

Get Free Too Loud A Solitude

he controls the feline population explosion explosively. *All My Cats*, written in 1983 after a serious car accident, is best seen as a confessional memoir, the chronicle of an author who becomes overwhelmed by his cats and his life, and is driven to the brink of madness by the dilemmas his indulgent love for the animals have created. In the

Get Free Too Loud A Solitude

end, *All My Cats* becomes a book about Hrabal's relationship to nature, about the unlikely sources of redemption that come to him unbidden, like a gift from the cosmos—and about love.

Wonderful stories of Communist Prague
by “the masterly Bohumil Hrabal” (The

Get Free Too Loud A Solitude

New Yorker) Never before published in English, the stories in *Mr. Kafka and Other Tales from the Time of the Cult* were written mostly in the 1950s and present the Czech master Bohumil Hrabal at the height of his powers. The stories capture a time when Czech Stalinists were turning society upside down, inflicting

Get Free Too Loud A Solitude

their social and political experiments on mostly unwilling subjects. These stories are set variously in the gas-lit streets of post-war Prague; on the raucous and dangerous factory floor of the famous Poldi steelworks where Hrabal himself once worked; in a cacophonous open-air dance hall where classical and popular

Get Free Too Loud A Solitude

music come to blows; at the basement studio where a crazed artist attempts to fashion a national icon; on the scaffolding around a decommissioned church. Hrabal captures men and women trapped in an eerily beautiful nightmare, longing for a world where “humor and metaphysical escape can reign supreme.”

In the lineage of Margaret Atwood's *Alias Grace*, *The Savage Instinct* is the chilling story of one woman's struggle for her sanity, set against the backdrop of the arrest and trial of Mary Ann Cotton, England's first female serial killer. England, 1873. Clara Blackstone has just

been released after one year in a private asylum for the insane. Clara has two goals: to reunite with her husband, Henry, and to never—ever—return to the asylum. As she enters Durham, Clara finds her carriage surrounded by a mob gathered to witness the imprisonment of Mary Ann Cotton—England's first female serial

killer—accused of poisoning nearly twenty people, including her husbands and children. Clara soon finds the oppressive confinement of her marriage no less terrifying than the white-tiled walls of Hoxton. And as she grows increasingly suspicious of Henry's intentions, her fascination with Cotton grows. Soon,

Cotton is not just a notorious figure from the headlines, but an unlikely confidante, mentor—and perhaps accomplice—in Clara's struggle to protect her money, her freedom and her life.

Hrabal's postwar classic about a young man's coming of age in German-occupied Czechoslovakia is among his most beloved and accessible works. *Closely Watched Trains* is the subtle and poetic

Get Free Too Loud A Solitude

portrait of Milos Hrma, a timid young railroad apprentice who insulates himself with fantasy against a reality filled with cruelty and grief. Day after day as he watches trains fly by, he torments himself with the suspicion that he himself is being watched and with fears of impotency. Hrma finally affirms his manhood and,

with a sense of peace and purpose he has never known before, heroically confronts a trainload of Nazis.
