Walking With Grandfather: The Wisdom of Lakota Elders By Joseph Marshall III Book Review by Bob Reece, February 2006. Webmaster's Note: Joseph Marshall, descended from warriors who fought Custer along the Little Bighorn River, is one of the original co-founders of the Friends of the Little Bighorn Battlefield. Today he brings us a completely new book – different from anything he has written in the past.

Walking With Grandfather
"Walking with Grandfather" is sculpted from Lakota wisdom, history, and mythic stories. Marshall shares wonderful tales of wolves, the greyhound and the rabbit, the bow and arrow, and more. All these tales of fiction accent an important point that provides great wisdom for living in a very busy world.

"When we began our search for consultants for Into the West, we were looking for individuals with a deep knowledge of the culture and history of the Lakota people. In Joe Marshall, we found that person, but the happy surprise was that we also found a poet, a storyteller, and an educator who led us through challenging terrain with great patience and wisdom." –Michael Wright, executive in charge of production, Into The West Native American lineage holders have long been cautious about sharing their spiritual truths because the essence of this wisdom has been so often misunderstood. In Walking with Grandfather, authentic Lakota lineage holder and award-wnning storyteller Joseph M. Marshall breaks this silence with the very best from a lifetime of lessons passed on to him by his grandfather. With him, you will gain access to the timeless teachings that until now remained largely unheard outside the culture of the Lakota people. Part of an unbroken series of narratives dating back countless centuries, this rare new transmission includes Marshall's rendition of legendary stories such as: "Follow Me"--why it is not authority but character, compassion, and experience that make a good leader • "The Way of Wolves"--surprising lessons about the meaning of family • "The Bow and the Arrow"--the intricate dynamics of spiritual partnership • "The Shadow Man"--how to honor the sacred warrior in all of us • "The Wisdom Within"--the passage of truly becoming an elder • Plus many more stories

Grandfather says this: "In life there is sadness as well as joy, losing as well as winning, falling as well as standing, hunger as well as plenty, bad as well as good. I do not say this to make you despair, but to teach you..that life is a journey sometimes walked in light and sometimes in shadow." Grandfather says this: "Keep going." These thought-provoking lessons, passed down by the author's own Lakota grandfather, will inspire the hundreds of thousands who already know his work--and will tap into the market that has embraced such books as Oriah Mountain Dreamer's The Invitation. When a young man's father dies, he turns to his sagacious grandfather for comfort. Together they sit underneath the family's cottonwood tree, and the grandfather shares his perspective on life, the perseverance it requires, and the pleasure and pain of the journey. Filled with dialogue, stories, and recollections, each section focuses on a portion of the prose poem "Keep Going" and provides commentary on the text. Readers will draw comfort, knowledge, and strength from the Grandfather's wise words--just as Marshall himself did.

Returning to the Lakota Way immerses us once again in the world of the Lakota Sioux through the beautiful storytelling and deep insight of Joseph Marshall's writing. Relaying traditional tales that have been passed down over generations, Marshall takes us on an inspiring journey that will help us better understand the world around us and our place in it. The teaching stories found in each chapter provide lessons that open our eyes to universal qualities and practices passed down over many generations. From the hunting adventures of the raven and the wolf, we discover the importance of tolerance; the actions of the grasshopper highlight the value of patience; and the experiences of a young man named Walks Alone show us the benefit of silence and turning within. Speaking to these and other traits, such as faith and selflessness, Marshall helps us see our own lives more clearly using time-honored tales interspersed with stories from his own life growing up on the Rosebud Sioux Indian Reservation in South Dakota. In his work, we find a clear example of how the wisdom of the past has relevance and meaning in the world of today.

Joseph M. Marshall's thoughtful, illuminating account of how the spiritual beliefs of the Lakota people can help us all lead more meaningful, ethical lives. Rich with storytelling, history, and folklore, The Lakota Way expresses the heart of Native American philosophy and reveals the path to a fulfilling and meaningful life. Joseph Marshall is a member of the Sicunga Lakota Sioux and has dedicated his entire life to the wisdom he learned from his elders. Here he focuses on the twelve core qualities that are crucial to the Lakota way of life--bravery, fortitude, generosity, wisdom, respect, honor, perseverance, love, humility, sacrifice, truth, and compassion. Whether teaching a lesson on respect imparted by the mythical Deer Woman or the humility embodied by the legendary Lakota leader Crazy Horse, The Lakota Way offers a fresh outlook on spirituality and ethical living.

"A marvelous debut...has everything a big, thick novel should have, and I hated to put it down." - John Grisham "A page-turner." - New York Times Book Review For readers of The Story of Edgar Sawtelle, this is a dramatic and deeply moving novel about an act of violence in a small Appalachian town and the repercussions that will forever change a young man's view of human cruelty and compassion. After seeing the death of his younger brother in a terrible home accident, fourteen-year-old Kevin and his grieving mother are sent for the summer to live with Kevin's grandfather. In this town of Medgar, Kentucky, a peeled-paint coal town deep in Appalachia, Kevin quickly falls in with a half-wild hollow kid named Buzzy Fink who schools him in the mysteries and magnificence of the woods. The town is beset by a massive mountaintop removal operation that is blowing up the hills and back filling the hollows. Kevin's grandfather and others in town attempt to rally the citizens against the "company" and its powerful owner to stop the plunder of their mountain heritage. But when Buzzy witnesses a brutal hate crime, a sequence is set in play that will test Buzzy and Kevin to their absolute limits in an epic struggle for survival in the Kentucky mountains. *Includes Reading Group Guide*

More than thirty years ago, an entire generation sought a new way of life, looking for fulfillment and meaning in a way no one had before. Leaving his teaching job at Harvard, Ram Dass embodied the role of spiritual seeker, showing others how to find peace within themselves in one of the greatest spiritual classics of the twentieth century, the two-million-copy bestseller Be Here Now. As many of that generation enter the autumn of their years, the big questions of peace and of purpose have returned demanding answers. And once again, Ram Dass blazes a new trail, inviting all to join him on the next stage of the journey.

Jayne Blasiman's grandfather, and his profoundly positive impact on her family and friends, is the source and inspiration for her touching memoir, Grandpa's Wisdom. Grandpa has always been there for her, and he loved her when it was too difficult to love herself. Blasiman now wishes to share his infectious joy and happiness with others in the hopes that they learn and benefit from him as well. Everything always works out. Count your blessings. Be yourself. Speak no evil. Grandpa's straightforward principles are easy to understand. Blasiman illustrates their wisdom through Grandpa's life story and applies them to her own personal journey toward regaining love and joy. Her story touches on the challenges of her parents' divorce, her own separation, her son's disability, and how Grandpa's wisdom lifted her up and carried her through such difficult times. Grandpa's Wisdom is for anyone trying to find footing in a world that isn't always kind-and not just survive but thrive-thanks largely to the unconditional love of a treasured family member.

Jimmy McClean is a Lakota boy--though you wouldn't guess it by his name: his father is part white and part Lakota, and his mother is Lakota. When he embarks on a journey with his grandfather, Nyles High Eagle, he learns more and more about his Lakota heritage--in particular, the story of Crazy Horse, one of the most important figures in Lakota and American history. Drawing references and inspiration from the oral stories of the Lakota tradition, celebrated author Joseph Marshall III juxtaposes the contemporary story of Jimmy with an insider's perspective on the life of Tasunke Witko, better known as Crazy Horse (c. 1840-1877). The book follows the heroic deeds of the Lakota leader who took up arms against the US federal government to fight against encroachments on the territories and way of life of the Lakota people, including leading a war party to victory at the Battle of the Little Bighorn. Along with Sitting Bull, Crazy Horse was the last of the Lakota to surrender his people to the US army. Through his grandfather's tales about the famous warrior, Jimmy learns more about his Lakota heritage and, ultimately, himself. American Indian Youth Literature Award
