~~The Lymphatic System - What you need to know with Dr NickelstonYour Health A Corrective System  
Synopsis. First published in 1934, this reprint of "Your Health" includes Joseph Pilates' early Twentieth  
Century philosophies, principles, and theories about health and fitness. He bases his work on the concept  
of a balanced body and mind, drawing on the approach espoused by the early Greeks. While some of his  
personal philosophies reflected early 20th Century viewpoints, his athletic and fitness doctrines were  
years ahead of his time.~~

Every function in your body is controlled via your nervous system, so any interference with it will cause issues. Therefore, the first order of business is often to address any such interference. Once we do that, we often prescribe a corrective care plan including nutrition, corrective exercise, stem cell therapy, and other techniques that will help us optimize your health.
